To: Our Valued Clients, Business Partners, and New Clients
From: Dennis Rethmeier, President

I am pleased to announce that Western Pump, Inc. acquired the Compliance Testing business from Triangle Environmental, Inc. on November 23, 2009. Several of the employees including Todd Stewart, Billy Hernandez, and Angel Casillas have joined the Western Pump team and will continue to provide the highest quality and most reliable compliance testing services that Triangle Environmental has been known for since 1990. Both David Duke and Mike Lessley, owners of Triangle Environmental, are working diligently with us to assure a smooth transition.

Our new employees will be working under the direction of Edward Justice and supported by the entire Compliance Testing team at Western Pump. Our toll free telephone number, 888-239-9988, is always available to assist customers and clients with orders, schedule changes, and general information. Todd Stewart can be reached on his existing telephone number, (818) 262-4233.

Our Mission at Western Pump is to DELIGHT, not just satisfy, our customers and clients. Please let us know how we are doing. And also, please feel free to contact me at 619-578-2176 if I can be of assistance.

Sincerely,
